

First 5 Alameda County Every Child Counts

Community Grants Initiative
2005-2007 Grantee Directory

November 2005

Welcome to the Community Grants Initiative Grantee Resource Directory. Inside you will find a detailed listing of services, program and organizational details, and administrative contact information for the 35 agencies funded by First 5 Alameda County for 2005-07.

Many of the services are open to the community and welcome referrals. For program-specific questions please contact the agency.

We hope that you find this guide useful in referring the children and families you work with to other programs and agencies in Alameda County. We also encourage you to use this information to strengthen and promote the exciting cross-collaboration of service delivery already taking place throughout the County.

Thank you again for all the wonderful work you do on behalf of the children and families of Alameda County.
